

Schedule of Notification

Dear Sir/Madam,

Consultation from 13 February to 5 April 2019

Notification of Publication of North Lanarkshire Local Development Plan Modified Proposed Plan

Location:

North Lanarkshire Council has published a Local Development Plan Modified Proposed Plan for the whole of the North Lanarkshire Council area, regardless of who owns the land.

This Modified Proposed Plan sets out planning policy and identifies how land in our area is used. For example for housing, or employment use, or for green space.

The Modified Proposed Plan can be viewed at www.northlanarkshire.gov.uk/nextplan and also at libraries, First Stop Shops, Civic Centre, Motherwell and Fleming House, Cumbernauld.

Proposed site

The plan includes a proposal for development at the above site. This is not a planning application, however applications may come forward regarding this site in the future.

This is a change from the Local Development Plan Proposed Plan published in January 2017.

This site has been identified as being suitable for possible future development, or because its designation has been changed from that shown in the Local Development Plan Proposed Plan 2017.

What has changed?

The change to include this site has been proposed following consideration of more than 1,500 submissions, following consultation on the Local Development Plan Proposed Plan between January and March 2017.

How to comment, support or object

Any person, group or organisation can comment, support or object to policies and sites in the Modified Proposed Plan and must do so **before 5 April 2019** using the relevant form. Forms are available at: www.northlanarkshire.gov.uk/planconsultation. You can also ask for a paper copy of the submission form by contacting us.

Following an Ombudsman decision in 2011, **we cannot accept petitions.**

Should you wish further information please contact us at Yourplan@northlan.gov.uk for assistance, or by calling 01236 632622
