<b>Summary of Action Required</b> (please list an action for each activity referred to above)			
<b>Action Required</b>	<b>Responsible Person</b>	<b>Timescale for Completion</b>	<b>Date Completed</b>

\* Please use additional pages if required

The contents of this risk assessment are an accurate reflection of the activities being undertaken and appropriate control measures to be implemented or maintained to ensure the activity can be undertaken whilst protecting the health safety and welfare of employees and anyone else who could be affected. The content of the risk assessment will be made known to employees, controls implemented and monitored and a review carried out either annually or when a change to circumstances dictates.
