Trustee recruitment and appointment	The Chief Officer (Financial Solutions) of North Lanarkshire Council and the Educational Trust Committee, comprising 3 elected members from North Lanarkshire Council and 3 elected members from South Lanarkshire Council, act as Trustees for the charitable funds.

Objectives and activities

Charitable purposes	The principal funds of the Lanarkshire Education Trust and the Marshall (Education) Trust were established to provide opportunities for educational advancement. The other educational trust funds consist mainly of prize funds and bursaries for individual schools within the North Lanarkshire area and are usually provided in the form of legacies of former school pupils or parents.				
Summary of the main activities in relation to these objects	During the financial year 2023/24, the Trust paid grants of £19,036 in relation to educational advancement. This was offset by the repayment of £390 from one awarded grant which was partially returned. The net spend on Grants during 2023/24 being £18,646. A breakdown of this total against each fund is included within the Educational Trust Funds Accounts.				

Achievements and performance

Summary of the main achievements of the charity during the financial period	The principal funds of the Lanarkshire Education Trust and the Marshall (Education) Trust were established to provide opportunities for educational advancement. The trust administers a range of grant awards reflecting the origins of trust funds, which provides grants to individuals, schools and groups/clubs under a number of award categories.					
	The Trust funded 27 awards in 2023/24 at a cost of £19,036.					

Financial review

Brief statement of the charity's policy on reserves	The level of financial reserve held by North Lanarkshire Council is reviewed annually during the budget setting process.				
Details of surplus / deficit	The trust had a surplus of $\pounds40,614$ in 2023/24 which was an increase from the $\pounds14,237$ surplus in 2022/23. This increase is principally down to an increase in interest rates.				
	The charity has no fundraising activities, as such, their annual income is earned through investment income. Consequently, the trust's annual income will reflect the current Interest rates and investment returns.				
	The trust historically has funded its deficit from distributable reserves. The trust is likely to continue to incur managed deficits for a number of years, given the level of reserves.
