Key Facts

UKSPF Challenge Fund

North Lanarkshire's Employability Partnership aims to fund a number of short term and **innovative** all age employability projects across our communities. These will be **in addition** to the existing range of employability projects currently being delivered this year. The partnership is seeking projects which can **engage unemployed or economically inactive** residents of working age and support them in their journey to employment, training or further education.

Budget for all age provision - £300,000

Indicative maximum amount per project - £65,000

UKSPF Outcomes and Output Reporting

Output Indicator for Reporting

Number of people engaged on project

Number of people supported to participate in education

Number of people retraining

Number of people in employment engaging with the skills system

Number of people supported to gain a qualification

Outcome Indicator for Reporting

Number of people in employment, including self-employment, following support

Number of people in education/training following support

Number of people gaining qualifications, licences and skills

Any stage of employability pipeline eligible but engagement of those on the margins of the labour market remains the biggest challenge!
