

St Kevin's Community Hub

Newsletter

Issue 4 – August 2024

Construction of the new St Kevin's Community Hub to commence September 2024.

Main Entrance

Commencement of Works

Kier Construction will take possession of the site August 2024 with a 4-week site set up period preceding main construction activities. Initial set up will include installation of site cabins, perimeter fencing etc. Main Construction activities will commence towards the end of September 2024. Initial activities will include excavation for the new facilities foundations and drainage

Timescales

- Construction Start – Sept 2024
- Completion - Q1 2026

Community and Social Value

The local community will benefit through construction of the new community hub as local contractors and small and medium enterprises will be utilised.

Kier Construction are actively involved with St Kevin's Primary School and Coatbridge & St Ambrose High Schools to provide real life learning experiences throughout the duration of the project.

Kier Construction has a proven track record of delivering measurable impacts within communities.
