

St Stephen's Community Hub Newsletter

Issue 3 - September 2024

Planning permission approved for new St Stephen's Community Hub.

Main Entrance

Planning Approved

We are delighted to report that St Stephen's Community Hub secured conditional planning consent at August 2024 planning committee. Reaching this exciting milestone is another positive step in the project's development.

The new community hub will contain the following.

- St Stephen's Primary School
- Language & Communication Support Centre
- Nursery Class
- Community Hall

To view further details about the new development and the overall Town and Community Hub programme please visit the Council's website on the link below.

Timescales

Approximate timescales noted below.

- Construction Start: Q1 2025
- Facility Opening: Q4 2026

Between now and construction start additional surveys and facilitating works will be taking place across the site.

Community and Social Benefits

Our Social Value delivery programme continues with Hub South West Scotland and Morrison Construction. The St Stephen's Primary School pupils will be taking part in Morrison Construction's Dino City initiative through November and December this year.
