

North Lanarkshire Council

Environment Act 1995, Part IV, Section 83(2)

North Lanarkshire Council Chapelhall Revocation Order 2024 (Chapelhall AQMA Order)

Order revoking an Air Quality Management Area (AQMA)

Whereas North Lanarkshire Council ("the Council") having caused to be conducted a review and assessment of air quality in Chapelhall is satisfied that the air quality objectives in respect of the Particulate Matter (PM₁₀) and Nitrogen Dioxide (NO₂) annual mean objectives as specified in the Air Quality (Scotland) Regulations 2000 (as amended by the Air Quality (Scotland) Amendment Regulations 2002 and 2016) will be met in the area described in the Schedule below and shown outlined in red in the map attached hereto, for reasons of previous, current and projected compliance with the relevant air quality objectives.

The Council in exercise of the powers conferred on it by Section 83(2) of the Environment Act 1995 hereby makes the following Revocation Order for the Chapelhall AQMA designated in December 2024.

IT IS HEREBY ORDERED THAT:

1. The AQMA known as the Chapelhall AQMA designated for a breach/likely breach of the PM₁₀ and NO₂ annual mean objectives and as described in the Schedule below shall be revoked.
2. The Order shall be cited as the North Lanarkshire Council Chapelhall Air Quality Management Area Revocation Order 2024.
3. The Order shall come into force on Monday 9th December 2024.
4. The Order and Schedule referred to herein may be inspected free of charge on the Council's website at: <https://www.northlanarkshire.gov.uk/pests-and-pollution/pollution/air-quality/air-quality-management-areas> If you cannot access the documents online, please contact the Council on 01236 836500 to request a paper copy.
